## The NFB

The National Federation of the Blind, founded in 1940, is America's largest organization of the blind with over 50,000 members. The Federation is organized in every state and has local chapters in many larger communities across the nation. Where there is no local chapter, there are members at large. Each year, the National Convention of the Federation is attended by approximately 3,000 blind persons.

## Purpose

The NFB is a civil rights and consumer advocacy organization, whose ultimate purpose is the complete integration of the blind into society. This objective involves the removal of legal, economic and social discriminations; the education of the public to new concepts concerning blindness, and the rights of all blind people to fully exercise their talents and take an active role in society.

The Federation corresponds to blind people in the same way that labor unions correspond to workers, the Chamber of Commerce to business people, and the American Bar Association to Lawyers. It is a vehicle for joint action by the blind, and the voice of the blind speaking for themselves.

The National Federation of the Blind knows that blindness is not the characteristic that defines you or your future. Every day we raise the expectations of blind people, because low expectations create obstacles between blind people and our dreams. Blindness is not what holds us back. We can live the life we want.

## Cambridge Chapter Activities

The Cambridge Chapter of the NFB of Massachusetts acts as an extension of the NFB, providing literature and information on blindness, guidance to the newly blind and their families, and support for blind people in and around Cambridge. The Cambridge Chapter is also a resource for local schools and libraries and advocates for the rights of the blind by supporting local, state, and national rights, initiatives, and legislation.

**Please join us at our regular chapter meetings, held the second Monday of every month at 5:30 - 7:30 P.M. at the Cambridge Citywide Senior Center, Room 208, 806 Massachusetts Ave, Cambridge, MA 02139**
